

FIJI GAS FOR FOOD & BEVERAGE

Since 1956 we have provided LPG to thousands of customers and continue to do so for many more. We are the largest LPG supplier in Fiji and provide LPG for cooking, heating, drying and hot water to tourism based businesses such as:

- Hotels, motels, service apartments and holiday resorts
- Lodges, back packer hostels and small-medium holiday homes

Why Choose Fiji Gas?

- Reliable LPG supply network and back up service from 5 terminals and branches nationwide
- Delivery and supply to outer islands off the mainland. We are as happy on the water getting to you as we are on the road.
- Efficient delivery schedules to meet your business and operational needs.
- Compliance with Australian and New Zealand Gas Standards.
- We have fully accredited and highly qualified technicians who specialize in the installation and maintenance of all gas appliances as well as handling of LP Gas.
- Scheduled maintenance of Fiji Gas equipment and onsite storage facilities.
- Dedicated business development teams to manage larger contracts, pricing and reviews.
- Offer a wide range of LPG services:
 - Hot Water Systems
 - Gas Heat Pump (GHP) Air Conditioning Systems
 - Supply of gas equipment for cooking from international brands Moffat Commercial Appliances and Hobart Manufacturers
 - Service & Installation - access to highly trained engineers for back up service and maintenance of your gas equipment
- We make it our business to understand our customers, anticipate your energy needs and deliver the best LPG solution that suits you.
